The necessity for Parsippany building its own high school was realized in 1953 when the Board of Education of Boontan told the Township of Parsippany Troy-Hills that they would not be able to accept our students after September 1956.

The architect, submitted plans for the high school and these were approved in October, 1954. Construction started immediately and the FIRST stage of the school was opened in September 17, 1956. Parsippany High School at present is constructed to accommodate eight hundred students. Another wing, may soon be added accommodating students.

The dedication of Parsippany High School on February 2, 1957 represented a unique milstone in the growth of the educational system of Parsippany Troy-Hills, New Jersey.

The graduating class of 1959 would personally like to express their deep gratitude to the people of Parsippany for supporting our school to their outmost.

## "Legend" to Sponsor Fund Raising Dance

"Sands of Time" will initiate the social life of P.H.S. This dance, sponsored by the "Legend" staff, will be held September 19, 1958 in the high school gym. Starting at 7:30 it will continue until 11:30.

On one side of the gym the decorations will consist of an old-fashioned design of chandeliers and pillars. The other half, in modern design, will be mobiles hanging from the ceiling and other similar designs.

Dances, representing different eras of time, will supply the entertainment for the night. Seniors will be doing dances, from the old-fashioned waltz and charleston, to the modern day jitterbug and rock 'n roll. The guests will dance to the music of the Parsippany High School Dance Band under the baton of Clifford Girard student director.

The funds raised by this dance will help to pay for our year book, the "Legend".

The Legend will consist of interesting information about the school, clubs and the graduating class. There will be individual portraits of all underclassmen as well as those of the seniors. There will be a Summer Supplement to cover events happening after March. Included in this will be pictures of the Senior Prom, other dances and sports.

The Legend will have 164 pages of printed material including the Summer Supplement. The Senior's Yearbook will have a padded covering, while the underclassmen will have a stiff cover.

The greater the amount of proceeds raised by the yearbook staff will help defray the amount of the individual yearbook price.

We're glad you're here!

## Principal's Welcome

As we go into our 1958-59 school term I wish to express my very sincere welcome to each individual within our school. Our past two years as an operating school have been a real pleasant and rewarding experience for me. The way our students have accepted and fulfilled their responsibilities, the way our teachers have constantly been stretching themselves toward even better teaching, and the manner in which our general staff has performed keeps my faith in people very much alive.

## *Senior Activities Center on Graduation*

Many class social events and projects for this school year have already been scheduled. As each year progresses traditions and patterns are gradually being built up. This year is highlighted by the fact that the class of 1959 will be the first to graduate from Parsippany High School.

Senior activities began last March with the organization of the Legend, which will be printed next March. One of the biggest Senior projects is the selection of their class gift to the school. It is hoped that this will be a service to the school rather than something of monetary value. Senior Class President Al Longo, along with his fellow officers, Helaine Kallen, Marianne Lazarcheck, and Janet Eckstein, feel that graduation activities should be underway by spring. Graduation Week will open with the Senior Prom on June 5th and will be climaxed with graduation ceremonies on June 15th. Events such as a Senior picnic or banquet are being discussed.

Junior class officers Charlie Brooks, Dave Ober, Carole Suta, and Jo-Ann Zelenka have announced that their project will be the editing and publishing of "Smoke Signal", the literary magazine. As spring comes they will work with the Seniors in planning the Junior-Senior Prom. Next February they will undertake the publishing of the "Legend" Annual.

Orientation and reception of incoming freshmen will be done by the class of 1961. In addition to this they will revise and distribute the school handbook. These projects will be handled by the Sophomore Class and their officers; Robert Wighton, Maureen Dooley, Diane Gallo, and Ellen Rutenberg.
